

FOR IMMEDIATE RELEASE

\$1 GOLF for KIDS this SUMMER

(04/23/24, Tampa, FL) Are the kids driving you crazy and playing too many video games this summer? Want to have them do something healthy and learn a lifelong sport? Ace Golf is offering a \$1 summer golf practice program for kids age 4 to 15. Every day from June 1 through August 31, kids can sign up to receive a \$1 small bucket of range balls or a \$1 round of miniature golf each day for the whole summer. Kids hit the balls on the practice ranges and miniature golf courses at bay area Ace Golf locations. And, it's all just \$1 per activity!

"There are a lot of families out there that just can't afford to put kids in camps or they just want something productive to fill their summer", says Bill Place, owner of Ace Golf Ranges and Golf Courses. "We want to help, and hopefully in the process, we may find the next Tiger Woods!" How it works:

- Children may sign up for free at any of two Ace Golf locations in Riverview and Land O'Lakes.
- Each child receives a daily stamp card for a \$1 free small bucket or \$1 miniature golf each day.
- Each time the child redeems their free bucket, they will get a stamp on their card noting the redemption.
- Redeemable Monday-Thursday, open until 4pm. Not available Friday, Saturday or Sunday.
- No other purchase is necessary. Kids should bring a golf club with them or may rent one.
- A parent must accompany all children using the program at all times.

In addition to the Free Bucket or Mini-Golf program, kids may also play golf for \$1 when accompanied by a paying parent at Ace Golf's Plantation Palms Golf Club after noon every day starting June 1st through the end of October.

Ace Golf Range is located at 12910 Boyette Road in Riverview (phone: 813 672-7750). It is open daily until 10pm. The facility features a lighted Golf Practice Range, Miniature Golf, and Batting Cages. For more information, go to ace-golf.com.

Ace Golf's Plantation Palms Golf Club is in Land O'Lakes (phone: 813 996-4653, website: plantationpalms.net), It is open to the public and offers a public championship golf course, an 18-hole Miniature Golf, Mulligans Irish Pub, and a Banquet/Events center.

Ace Golf is locally, family-owned by Su Lee and Bill Place since 1993. In addition to the \$1 kids program, each location offers summer golf camps, clinics, and private and group golf lessons.
